## **BIRLA PUBLIC SCHOOL, DOHA – QATAR**

### **Circular for grades IX to XI**

Dear Parents,

This is to inform you that BIRLA CYBER CLUB is conducting the **PROGRAMATHON Competition** for the students of Grades IX to XI. Students who are passionate about coding can participate and showcase their programming skills. Participants will engage in a series of coding challenges requiring adept problem-solving techniques, creativity, and proficiency in Python programming.

#### **Details of the competition:**

1. This competition will be conducted on **Tuesday, 19 December 2023** during school hours.
2. Participants will face diverse coding challenges which should be solved using Python within the stipulated time.
3. **Evaluation Criteria:**
  - Correctness of Code
  - Number of Levels Solved
  - Time taken to solve each question.
4. All participants should be well versed with Python Programming concepts.
5. Interested students can register for the competition using the link:  
<https://forms.gle/ZNDRCbBrLhbciVBr9>  
Last Date of registration is **01.12.2023**.
6. Time and venue of the competition will be informed later through email.

Note: Certificates will be given to the winners of the competition.
