

BPS/EC/2024-'25/70  
04 November 2024

**Birla Public School, Doha, Qatar**  
**Circular for Primary I & II**

Dear Parent,

**Subject: Shift to hybrid learning system for Primary I & II starting Sunday, 17 November 2024**

Warm greetings!

Thank you for your unwavering support and understanding throughout the shift system. We truly appreciate your perseverance and resilience during this time, which have helped us navigate this challenging time together.

**After careful consideration of the hybrid practice implemented in the main campus and in compliance with the MOEHE guidelines, we will be implementing the hybrid learning system, with effect from Sunday, 17 November 2024 for Grades I to IV.**

Kindly note the following with respect to the hybrid classes:

1. School timing will remain unchanged i.e. from 7:00 am to 1:35 pm.
2. Classes will be conducted on campus on weekdays with one designated day per week for online learning for each grade and one additional day (Thursday) on rotation for every grade. The specific online and on-campus days for each grade are outlined in the attached document: Hybrid system for Primary I & II, to this circular.
3. Attendance for online classes is mandatory and will be marked.
4. Please make sure that the student has a laptop/tablet at home to receive his education during online learning.
5. The timetable for online classes will remain the same.
6. All educational materials and lessons will be provided through Google Classroom (GCR).
7. All assessments will be conducted on campus.

This blended approach aims to offer the advantages of both in-person and online learning, ensuring continued academic progress. As we transition into this new phase, we look forward to your continued support in making the hybrid learning system a success. Together, we will ensure that our students have a nurturing and safe environment in which to learn, grow, and thrive.

Thank you once again.

**Dr. Anand R. Nair**  
**Principal**

*(Note: Enclosed – Hybrid timetable for Primary I & II Campuses)*
