BIRLA PUBLIC SCHOOL, DOHA – QATAR
CIRCULAR FOR GRADE VI

Dear Parent,

Subject: **Introduction of Skill Subject for Grade VI**

BPS always strives to provide the latest and most relevant education to the students. Learning of various essential competencies and skills is essential for students at an appropriate age. In line with this, CBSE has introduced many Skill subjects with defined learning outcomes, curriculum and study materials. For Grade 6 to 8 the Skill subjects will be conducted as per the prescribed duration / hours through the academic year. The number of hours prescribed by CBSE will be covered in multiple sessions within school timing.

The school offers four Skill subjects namely - Coding, Financial Literacy, Design Thinking, and Marketing.

In priority order for the Grade 6 to 8 students you are requested to select **ANY TWO** of the Skill Subjects from the list and register your ward's interest.

Please note: The selected skill subject will continue through Grade VI to VIII.

Regards,

Dr. Anand R. Nair
Principal
